MY SEXY SECRET!

TAN, TONED & TIGHT!

Ever since I started to work at my local tanning salon, my sex life has increased as much as my skin tone! So many of the guys who come in are over-sexed workout maniacs, but they sure know how to fuck!

This one guy, Vin, knows how to work my pussy like a champ. He'll come in, get his normal 15-minute tan, come out and if the shop is empty, we'll go in the back office and fuck. It's practically automatic at this point.

Last week, Vin came in and he must have felt like eating pussy, 'cause that's what he did for like, 10 whole minutes! When it was time to fuck, it felt like my pussy was so wet it was like I was swimming all day. His cock went in and out and in and out and it was covered in my slit sauce. Once in while, he would pull out and make me suck it clean. I don't want to sound like a lesbian or anything, but I like the taste of my pussy!

So, getting back to it, Vin pounded my slit like a jackhammer, telling me he was going to cum in my pussy. I was hoping he would hold off 'cause I didn't cum, but he couldn't wait. I felt him tense up and mutter some curse words and then I felt him drain his nuts inside me. I had to frig myself off to cum and it looked like Vin didn't care. The cool thing is, he came back the next and got me off by eating me out. Thanks, Vin! ♣

Interview by Emma Edwards

Which female performer sucks the best pussy?
Ohh, I like that question. Veronica Aviluv (vulva spelled backwards) sucks the best pussy. She's been in the business for a while, although she just started performing in boy/girl scenes. Many people are starting to take notice of her since her decision to do boy/girl. Her oral skills are so superior because she loves eating pussy and it shows. She's not afraid to get all up in there and mess up her make-up. The girl takes over and devours.

Describe the Krissy Lynn way of sucking dick.
I'm a big teaser, so I love starting things out slowly by licking and tickling the shaft. When he least expects it, I go straight into deep throating, without warning. I love to get really sloppy with my mouth and hands by using lots of saliva and a twisting motion that guys seem to love. I'm also crazy for ball sucking and am not a ball neglector, what so ever. I just can't get enough. With my blowjobs, I really get into it and try new techniques. Blowjobs make me wet!

What can a person do to get in your pants?
There has to be a connection between the person and I. In fact, the initial connection doesn't necessarily have to be purely physical. The men I'm interested in also don't have to be perfect like a Ken doll. I enjoy all types of men, especially older men. I've been with men as old as 60. Most of the time, I go after men between the ages of 40 and 60. That age group seems to be what I'm most attracted to. Ever since I was a teenager, I've always been unexplainably attracted to men that are at least ten years older than me. I also enjoy men who know what they want and go after it, especially when it comes to me. Older men usually possess this level of confidence.

Aside from your attraction to older men, is there another type of man that turns you on?
Sure, I'm also very attracted to virgins, shy guys and computer nerds! Nerdy men, who are shy, with limited sexual experience, really turn me on. I love over exciting them and teaching them new things about sex. It's fun molding these quiet men into my sexual playthings.

How did you come up with your performing name of Krissy Lynn?
Funny you should ask, as I actually go by the name of Krissy in my private life. When I was a little girl, I was very affectionate and used to kiss everybody, especially men. As a nickname, people would call me Kiss Kiss. As time went on, my name changed into Kissy. In time, and 'r' was added to my moniker to make is Krissy. Now, I'm known both privately and professionally as Krissy.

Do you enjoy playing dress-up at home?
Yes, I love playing dress-up. My favorite thing to do is cook while wearing my sexiest lingerie. I also have a secret fetish for high heels and boots. I love being fucked while wearing my sexy shoes. And yes, I always leave them on.

Who would you love to have sex with?
I would love to have sex with Jesse Jane. She's so cute, bubbly and petite. One time we were on set together and we spent time playing with each other's boobs. I was so turned on by her, but we never had sex. I'd also love the opportunity to have sex with men I've already fucked including Manuel Ferrara and Jerry, the Hungarian performer. Actually, it would be hot if Jerry and his dad, Jay Huntington, would fuck me together. Can you imagine how kinky that would be?

What kind of panties are you wearing right now?
I'm wearing black booty shorts that ride up the curve of my ass, so that my butt cheeks hang out. They're cute and comfortable.

When you are masturbating at home, what do you like to think about?
More times that not, I dream about strangers. I imagine them fucking me without saying a single word to me. In my favorite fantasy, the strange man is wearing a sexy business suit. With all of his clothes still on, he pulls his cock out from his pants and fucks me hard across a desk. I also fantasize about different kinds of dicks, since there isn't just one type that turns me on. I don't just the huge dicks that I usually perform with onscreen. Sometimes, I really enjoy smaller ones and masturbate to the thought of random sized dicks penetrating me. Dicks turn me on.

Describe the perfect date.
The perfect date would be with a man who knows how to treat me like a lady. I would enjoy for a man to pick me up at my front door and take me to a wonderful restaurant that I've never tried before. It would be ideal if every bite of food melts in my mouth like heaven. From here, I'd love for him to take me somewhere fun like salsa dancing, or else play his guitar for me on the beach. I love for my dates to be active and fun. Depending on how the date goes, he can take me back to his place and give me a full body massage with exotic oils. I'll gladly return the favor, followed by hot passionate sex. Oh, and he can't forget the red wine.

Are you a dirty talker in bed? What types of naughty things do you like to say?
I'm an EXTREMELY dirty talker in bed. I get off on dirty talk. My favorite thing to do is to tell a man to look me in the eyes while I suck his cock. That connection is amazing for me, watching the way his eyes change as my hands and mouth please his dick. While I'm sucking, I'll describe and tell him how much I love sucking his dick and how delicious it is. When he's fucking me, I go into details of how much I love him being inside of me and what I'd love for him to do to me next. From all of that, I always get a positive response.

KRISSY LYNN

How do you relax?
I really enjoy communicating with my fans on Twitter or Facebook. That really relaxes me. I also enjoy reading my anatomy and physiology books, and sweating in a sauna. Saunas are a great way to relax. Oops, I almost forgot to mention masturbating. I just bought myself a new Hitachi. Truly, there is nothing more relaxing than an explosive orgasm.

Anatomy and physiology books? Are those for a school project, or are they just a hobby?
I have a degree in health and exercise science that I got back in 2006. Lately, I've been brushing up on my fitness books because I'd love to be a fitness trainer very soon.

What type of role best suits you as a performer?
I really enjoy playing dramatic characters where I get to use a lot of dialogue. Dialogue and acting are some of my strongest suits. Every opportunity I get to act, I jump on it. My role in *The Condemned* (Vivid) was tremendous for me. Acting is fun for me.

For some reason, I seem to see most of your work in Gonzo style productions. Would you like to do more features?
I am in Gonzos often, so it would be fun to take part in more features. Really, I think I'm very good at acting and would love to be given more opportunities to prove that. If my director told me to cry, scream, act scared, or be emotional; I could do this on cue and take my role seriously. Many other actors laugh and giggle on set when their role demands for them to show raw emotion, other than sexy emotion, because they feel uncomfortable. I want to play a serious role and really get into it.

Ideally, how many people would you like to fuck at once?
Since I am an all or nothing kind of girl, I either like it one-on-one, so I can concentrate all of my energy on that one person, or, I love to participate in an orgy where I could go wild. Ideally, there would be between five to 10 people involved. It would be awesome sucking off nine guys at once, or else having a solid mix of men and women would be nice too.

What type of sexual scenario turns you on the most?
Any scenario that is thought to be forbidden or taboo really turns me on. For example, playing the role or fantasizing about being someone who has secret sex with me every night is hot. That would be incredible. Also, the thought of having sex in public could be a real turn on, especially if people are walking by, just right out there.

Have you ever had sex in public, in real life?
Oh yes, I've had sex in public parks and at my local dog park. That all happened when I was in Las Vegas. It was a wild time and people were walking by at a distance.

What is the most sensitive part of your body?
Besides my clit, I would have to say that the rim of my asshole and the arches on the bottoms of my feet are my most sensitive parts. Actually, I'm really disappointed that I'm not cast in more foot fetish movies because foot love is what gets me off. When the arches of my feet are scratched, rubbed, or touched just right, it sends an instant sensation to my pussy. Honestly, it feels as though my pussy is being fondled. When I walk around on my carpet, I have to wear socks all the time. If I walk around barefoot, the friction of the carpet tickling my arches would make me horny all day. Really, I'd be hot all day long and wouldn't be able to get any work done.

What is your favorite physical attribute?
I would say that I have really

pretty lips. Naturally, my lips are a darker shade of pink. They also work well when sucking cocks.

What is your least favorite physical attribute?
I hate my shoulders because they are not proportionate to my hips. For some reason, my hips never developed. I do have an ass though, but no hips. Many people have asked me if I'm a swimmer. Apparently, I have a swimmer's body. I suppose that's not the worst thing in the world.

So far, what has been your favorite scene that you've performed in?
Whenever I perform with Manuel Ferrara, I always get lost in the moment. I forget that there are actually cameras filming us and just completely give him all I have to give. Our sex is so intense. After sex together, we feel high from all the natural chemicals swimming through our bodies. With Manuel, I feel sexual euphoria. My two orgy scenes from *Batfxxx*-Bluebird Films, including the cheerleader orgy and the big cast orgy, were also huge highlights in my career.

Sexually speaking, what are you best at?
I'm really good a giving blowjobs. I can sense what the man is feeling and instinctively deliver what he needs. I'm like the blowjob whisperer.

Have you ever had a squirting orgasm?
Yes, two things make me squirt. The first way is having a very strong vibrator pressed up against the tip of my clit. I hold it down and the intensity will make me squirt while I climax. The second way is having a guy's extra hard or extra thick cock plugging me in and out super fast will also make me squirt.

Are you a voyeur? Do you like to watch others having sex?
Yes, I love watching people have sex. I'm now single, but when I was married, my partner and I were swingers. I just to get off on watching him fuck other women.

Was there a particular type of woman you liked to watch him with?
I liked watching him have sex with all different types of women. I loved knowing that my man was pleasing all of these hot women. Watching both of them turn each other on, turned me on. And, at the end of the night, I got to take him home and finish off the night by having crazy good sex. I'm wet right now!

If you weren't a porn performer, what would be your fantasy job?
One day, I'll be a fitness trainer. Actually, I plan to do this in the next few months. I'll actively be involved in both fitness training and in adult performing.

Do you have any concluding words to share with your fans?
I wouldn't be in this wonderful world of porn without you. I truly appreciate all that you do for me. Thanks so much for continuing to watch my hot fucking films. It's my pleasure getting you off! ♣

Colette Bangs David & George

Slutty Colette has a standing weekly date with well-hung studs David and George. There is no question about what the three of them are going to do – fuck like a depraved bunny trio – so they don't waste time once they all get together. Right away Colette drops to her knees between them, sucking one then the other until both sport nice, stiff pricks. Then she drops her panties and straddles one suitor while continuing to swallow the sword of the other. She lets loose with a lusty sigh as the cock in her cunny gets moved to the back, her balloon knot easing open to accommodate it. She pulls the pork from her mouth and motions to her meat wallet, then the next thing she knows she's got a dick in each hole. At this point Colette closes her eyes and enjoys the ride, reveling in the incomparably full feeling of having both her pussy and her ass stuffed balls-deep with man meat. David and George grunt and grind away, both working to balance Colette between them. Suddenly, she throws her head back and cums with a cry, and the boys take this as their cue to pull out and pop. First David busts his nut then George shortly after, coating Colette's pretty face with spunk. ♣

AVAILABLE FROM: Brazzers

BOUNCING BOOBIES / COUPLES SEX

For most individuals, there is nothing better than a handful of perky tits. Even better, is when those tits belong to young bimbos whose penchant for pleasure run just as deep as their desire for hard dick. Collected across six scenes, groups of top-heavy honeys, with attributes such as the ones described above, have gathered in their quest of robbing your balls of their cum. Needless to say, their plan works like a charm!

Standing a hair above the competition, Abella Anderson, a Latina bombshell, looks downright delicious in her cop uniform. Taunting Johnny Sins, her prisoner, into having hardcore sex, Abella is not greedy with her gash. Covering his lap with scads of her sex wax, these friendly fuckers screw in reverse cowgirl, keeping her Cuban can-cans the star of the show.

Next, Brynn Tyler receives more than just room service from Jordan Ash when her newly wed husband falls asleep. Dotting her nipples with cherries and whipped cream, Ash provides more sweet stuff by allowing Brynn to jockey his cock like a horse racer!

With hardcore dreams of headlining a Vegas burlesque show, Isis Taylor lets Scott Nails know she'll do anything to make the cut. Shoving her natural tits in his face and giving him full access into her velvet underground, Isis fucks her way to the starring role.

As a way of getting her house cleaned, Briana Blair offers Johnny Sins her pussy in exchange for a spic-n-span house. Easily making the deal, Johnny spreads her open across a couch and waxes the leather with her pussy polish.

And, as the old adage goes, if a man can dance then he can fuck! Testing this theory, Mariah Madysinn sets her sights on Keiran Lee at a country bar. Doing the dosey doe across a picnic table, Keiran plows through Mariah like an Iowa corn farmer, encouraging her tits to bounce with well-crafted positions. We like his style!

SUMMARY: For fans of young starlets, big boobs and comedic sexual set-ups, this movie has all the bases covered. This offering is bubbling over with enough big booby goodness to keep you stuffed and satisfied from start to finish. ♣

CHERRY EPISODE 2

STARRING: Andy San Dimas, Jizz Lee, Dana DeArmond, Evelin Rain, Brooklyn Lee, Diamond Foxx, Missy Martinez, Zoey Holloway, Kimberly Kane, Tuesday Cross, Judith Thompson (non-sex role of Cherry)
DIRECTED BY: Kay Brandt
AVAILABLE FROM: Jewel Box Films/Digital Playground

LIPSTICK LESBIANS / PREMIERE EROTICA

Catering to a specific clientele, *Cherry*, an entrepreneur of a lesbian strip club, weaves her gorgeous staff into sexually explosive encounters that satiate her personal desires. With tantalizing twists, tumultuous turns, and secret sexual exploits igniting behind closed doors, these lipstick lesbians deliver mind-blowing sex in writer/director Kay Brandt's much anticipated follow-up project. Dripping with passion and seductive entanglements, fans of girl-on-girl sex will greatly appreciate the realistic scenes and Brandt's impressive attention to detail. We certainly did!

The tale begins with Andy San Dimas, seductively swaying her hips to the music that Jizz Lee is spinning from her turntables. Setting her equipment to random shuffle, Jizz pulls Andy into a dark corridor, making her drop to her knees to suck off the strap-on cock she's packing in her pants. Fucking her well in several standing positions, Andy is treated to multiple orgasms. Wow!

As the heat in the club continues to soar, Dana DeArmond and Evelin Rain start flirting at the bar. In the safety of this sexual playground, clothes quickly start flying off in all directions, as these girls fuck like drunken sailors across the bar. With plenty of up close tongue kissing and lots of labia licking, Dana and Evelin look good being bad!

Wanting to keep her V.I.P. regulars happy, *Cherry* is quick to offer Missy Martinez and Brooklyn Lee to Diamond Foxx and Zoey Holloway. Leading them to a private room, Missy and Brooklyn please these club cats by opening their legs to provide warm milk. With real orgasms, plenty of positions and naturally wet pussies, these hungry cougars definitely score some fresh meat.

As the story continues, we find Tuesday Cross, *Cherry*'s lost soul mate, in the arms of Kimberly Kane. Displaying some of the most passionate lesbian kissing every witnessed, Kimberly and Tuesday's lips seem made for each other. Securing Tuesday's hands to the headboard gives Kimberly easy access to all of her holes. And boy, the things she does to them!

SUMMARY: Presented by their new line, Jewel Box Films that caters to lesbian themed erotica, this series is a groundbreaking step forward for the growing lesbian sector. Made stronger with the advent of rich characters, interweaving storylines, sexual entanglements and a stellar visual appeal, writer/director Kay Brandt succeeds in presenting the marketplace with a powerfully seductive story that is dripping with sexual tension and hardcore sex. ♣

KIMBERLY KANE'S BEEN BLACKMALED

STARRING: Kimberly Kane, Lily LaBeau, Nyomi Banxxx, Bobbi Starr, Asphyxia Noir, Skin Diamond, Jon Jon, Tee Reel, Prince Yahshua, Lexington Steele
DIRECTED BY: Kimberly Kane
AVAILABLE FROM: Vivid

KINKY KIMBERLY / INTERRACIAL FANTASY

What sets this movie apart is that Kimberly Kane dares to go to the darker side of human sexuality. It is here where she is able to tap into the erotic psyche of her fans, relieving them from a mediocre world of sexual normalcy. In this forbidden wonderland, where anything is possible, she and a celebrated cast of enthusiastic performers deliver top-rate interracial pornography. The result is fantasy play that catapults to a whole new level, encouraging the viewer to step inside of themselves in order to be completely sexually set free.

The odyssey begins with Prince Yahshua unknowingly walking straight into his sex scene with Kimberly. With movie equipment scattered around a bathroom, Prince fucks her hard, bending her over a toilet. Never taking things easy, this scene is the epitome of raw passion!

From here, visions of Lily LaBeau in white panties, black boots and her hot mouth emerge. Being taunted by her master, Nyomi Banxxx, Lily is treated like a wild mare, as she is fucked into shape. Soon, Nyomi is pounding Lily into submission by impaling her with a strap-on cock across a picnic table. Like a good whore, Lily moans and groans.

In the very next instance, Skin Diamond, made to look like a voodoo priestess is pouring hot wax down Asphyxia Noir's painted body. Stuffing each other full of fingers, tongues and toys, nothing is left untouched.

From here, Bobbi Starr completely mesmerizes the screen in a smoking hot tease session that has her playing around with a yellow snake. She soon settles down with Lexington Steele, whereby he plugs her asshole full of his big, black rattler. Sensational!

The hottest scene occurs in the end when Kimberly Kane dazzles her audience with her first DP scene... ever! Expertly connecting with Tee Reel and Jon Jon, Kimberly repeatedly thanks them for fucking her, truly loosing herself in this first-time experience that Kimberly fans mustn't live without!

SUMMARY: In what is the first ever interracial and DP scenes of her career, Kimberly Kane explodes into a firestorm of kinky fantasies, delighting her fans with her ethereal sexual style that is entirely infectious. Clearly, this is a solid representation of Kimberly Kane at her finest. Brava! ♣

LESBIAN TRIANGLES 22

STARRING: Prinzzess, Jodi West, Bibette Blanche, Brandi Love, Janet Mason, Diamond Jackson, Sadie Michaels
DIRECTED BY: Dan O'Connell
AVAILABLE FROM: Girlfriends Films

LUSTY LESBIANS / REALISTIC SEX

Another batch of lesbians dabble in a risky game of Love 'Em & Leave 'Em. Seemingly happy to play with fire, these *Lesbian Triangles* continue twisting and turning, leading up sexual interludes that are dripping with realistic lesbian love. Another hot addition to the series, fans won't be disappointed with these results.

Trying to sneak a bottle of wine from the cellar, Prinzzess is caught by the lady of the house, Jodi West. Scolding her for her attempted theft, Prinzzess is sent off to bed. Jodi is quickly in toe, tucking in the pouting plaything before taking things to the next level. With playful kissing and the eroticism of an older woman with a younger girl, this encounter will have you feeling naughty in all the right places. The loud slit slurping is icing on the cake.

As the story continues, Brandi Love stops by to give Bibette Blanche some food before she leaves town. Accepting a friendly invitation for a glass of wine, it doesn't take much before Brandi is opening up to Bibette about her troubled marriage and her longing for sexual spontaneity. Offering her support, as well as her slit, these two grind their pussies together and finger bang each other to pop, ensuring that Brandi gets her wish.

Next, while appraising the prized artwork in Janet Mason's home, the action turns quite frisky when Diamond Jackson decides to measure up the value of Janet's puffy tits instead. Arranging Janet on her face, Diamond also gets an up close and personal assessment of her well-manicured muff, sticking her tongue in as deep as she can.

In the end, Prinzzess is scolded once again by Jodi West when she brings Sadie Michaels home to play. Jealous as the girls try on clothes, Jodi quickly sends Prinzzess off on an errand, leaving Sadie all to herself. Leaping into action, these two cougars pounce, treating each other to plenty of licks and lashes.

SUMMARY: As the story progresses, like that of a soap opera, sexy girls deliver realistic bouts of lesbian sex that is full of passion and appeal. Continually, the events move forward, keeping you entertained by providing an interesting storyline that always ends in a cliffhanger. ♣

TEEN SEX

STARRING: Dakoda Brookes, Melissa Mathews, Sindee Jennings, Kaci Star, Bella Cole, Derrick Pierce, Tommy Gunn, Spyder Jonez, Ron Jeremy
DIRECTED BY: Sunny Leone
AVAILABLE FROM: SunLust Pictures

TEMPTING TEENS / CASUAL SEX

The only thing that is consistent here, is that there is no consistency! From scene to scene, the lighting and camera-work vary, and aren't exemplary in any way. The scenes go from dark mood lighting, to bright as the sun lighting, to adequate hues that look normal when viewed. Although the girls are cute, the action here is mediocre at best.

The movie begins with Dakoda Brookes offering Ron Jeremy some cookies. He soon leads her to his bedroom. Eating her pussy first, he later bangs her hole with his experienced bat, causing her to giggle. Although, it's somewhat of a novelty watching a legend like Ron Jeremy in action, it's also a bit odd viewing an experienced hedgehog tackling a cute little bunny like Dakoda.

Bella Cole continues in the next scene by arousing Tommy Gunn's dick with her mouth. With mood lighting that casts nasty shadows across the humping stars, it's hard to stay engrossed in the scene, at times. Most is forgiven with hot leapfrog action, when Tommy positions himself above Bella to bang her beaver in an interesting doggie arrangement.

Moving along, the light turns ultra bright as Derrick Pierce finger bangs and pussy licks Kaci Star's snapper. Squishy in all the right places, Kaci does look like a fun one to fuck. Derrick obviously agrees, bringing her to orgasm in spoon.

Next, Melissa Mathews has a go with Spyder Jonez. Looking like an innocent flower against his tough body of tattoos, this play on opposites is sexually interesting. Even better is the way Spyder completely dominates her in standing doggie. Although the sex is good, there are way too many instances of "man ass" that is hard to forgive.

Closing out the show, Sindee Jennings gives the hottest performance alongside Derrick Pierce. With popping sexual chemistry and powerful fucking, it's a wise choice for the movie to end here... on the highest note available.

SUMMARY: Although the featured teens are cute to look at and the sex is decent, the actual production is lacking in value, ultimately leaving much to be desired. There are much better young girl movies out there, if *Teen Sex* is what you're interested in experiencing. Hot girls, though! ♣

UNFINISHED BUSINESS

STARRING: Kirsten Price, Alektra Blue, Amia Miley, Asa Akira, Aubrey Addams, Madison Ivy, Misty Stone, Vicki Chase, Bill Bailey, Chris Johnson, Dane Cross, Danny Mountain, Kris Slater, Randy Spears, Seth Gamble, TJ Cummings
DIRECTED BY: Brad Armstrong
AVAILABLE FROM: Wicked Pictures

FRISKY BUSINESS / COLLEGIATE COOZE

Loosely based on the '80s cult classic that helped make Tom Cruise a household name, director extraordinaire Brad Armstrong has expertly reworked this tantalizing tale about a college boy (Kris Slater) who strikes up an unconventional friendship and business partnership with a high-priced call girl (Kirsten Price). Vamping it up to make it more viable for the 21st Century, Armstrong has added scorching sex scenes, a further developed storyline and plenty of sticky college sex. The outcome is hot, hot, hot!

Lost in a seductive dream world, before his mid-term examination, Kris Slater encounters Amia Miley. Writhing on her bed, Amia is quick to suck his dick, pulling on her pigtails as he penetrates her teenaged twat from several positions. She looks good!

Once awake, he receives an impromptu visit from Kirsten and her sexy pals, Alektra Blue and Missy Stone. Busting up his weekly poker game by proposing naughtier stakes, the girls are in the mood to play hardball. A steamy orgy ensues that has Alektra and Missy sprawled out across the poker table, taking three cocks in their pussies and mouths like greedy go-getters.

Meanwhile, Kris has Kirsten glued to the bed and is filling his mouth with scads of her sticky cooze. When ready, he rocks her world in a face-down-ass up doggie squat, shaking his jizz across her curves as he finishes her off.

When Randy Spears, the Dean of Students, gets wind of the "tutoring sessions" that Kris and Kirsten are bestowing upon his impressionable pupils, Kirsten and Asa Akira decide to handle the situation the best way they can. Seducing him into hardcore sex, Randy fucks each student body across his desk, screwing one, while fingering the other.

Now, with sexual collateral in their hands and the promise of passing grades, Kris and Kirsten throw an all out orgy that has ten kinky co-eds getting freaky in the campus library. Now that's the type of cram session we're talkin' about!

SUMMARY: Expanding on the original story, Kirsten Price and Kris Slater rejoin forces in this sexy comedic offering. Together, they employ Kirsten's band of high priced call girls, seducing the students and staff into paying good money for hardcore sex. With simple, yet effective direction, and sexy characters that fit the part, Armstrong delivers a seductive feature that earns an A all the way! ♣

Antonya Fingers Alison

29803

www.ClubGirlsXXX.com

Cuntry girls are a special breed of sexy and Alison and Antonya are no exception. Both of them are built for pleasure with plenty of curves in all the right places. These two keep fit and healthy by maintaining a strict, dyke diet, taking care to mouth plenty of milkshakes and eat lots of vaggies. These femmes are all about no-frills fucking, opting to ditch all the silly props such as dildos, lubricant and other such adult accoutrements in favor of fingers, some spit and a whole lotta tongue. Blonde bunny Antonya can't get her fill of Alison's big melons, she cuddles, squeezes and kisses them at every given opportunity as Alison diddles her clit to a climax. As far as Alison goes, she's obsessed with Antonya's nether regions and can barely manage to keep her mouth off of them. She loves sucking on her snatch while tickling her tight rosebud with just the tip of her finger. She also digs sinking her tongue deep into her butthole while doing some brisk fingerbanging up front. All the while Antonya writhes and twists and moans nonstop, pushing her-self tightly against Alison's hands and face. She has multiple, back-arching orgasms, curling her toes and closing her eyes and clenching her pussy spasmodically. Then they kiss, cuddle and murmur Sapphic secrets into each other's sweaty ears. ♣

STARRING: JULIA ANN, TAYLOR WANE, HELLY MAE HELLFIRE, CECE STONE, ALEXANDRA SILK, SKYLAR PRICE, ALEX GONZ, BILL BAILEY, DANE CROSS, ALAN STAFFORD, CHRIS JOHNSON
DIRECTED BY: MIKE QUASAR
AVAILABLE FROM: ZERO TOLERANCE

Steering top-notch MILFs to the sexual danger zone, director Mike Quasar really knows what it takes to deliver hardcore sex that positively spews with an undeniable X factor in *Is Your Mother Home?*, a tasty little treat from Zero Tolerance. Presented across five standout scenes, Quasar expertly matches lusty ladies with college boy cocks when these babes come knocking at their doors for a little game of Tickle the Pickle. Both igniting into fervent passion that is blushingly great, these magnificent mamas spread their veteran vaginas open to allow us a candid look inside the sexual world of seasoned players. Luckily, for us, we've been granted a perfect ringside seat for the ultimate unveiling!

Knocking on the door first, Helly Mae Hellfire, a bodacious bottle blonde with store bought tits and sexy tattoos decorating her right arm, is ready for action. Not expecting visitors, Bill Bailey reluctantly opens the door and instantly is shocked by the slutty looking woman that stands on the other side of his threshold. "May I help you?" he politely asks, trying desperately to hide the boner bulge that is beginning to pitch a tent in his pants. "Since my hot water is out, your mother said it was okay for me to use your shower before my big fire show tonight. Is that okay with you?" she smiles, biting the tip of her pinky finger to entice the young buck into letting her come inside. Shaking his head yes and licking his lips, Bill leads Helly to the bathroom, watching her ass wiggle and her tits bounce inside of her erotic leopard printed dress as she walks.

Once inside the bathroom, Bill holds a fresh towel in his arms as Helly unzips the back of her dress and allows it to fall into a colorful clump around her feet. "Whoa, you're not shy are you?" he smiles, completely impressed by her cantaloupe shaped cans and her smooth slit that are now on full display. "Actually no, I'm used to getting naked

for men. I'm amazing at pole work!" she teases, unzipping his pants to relieve his thick dick from their denim prison.

Slowly gliding down his body, lodging his stick to the back of her throat, her curvy calves pop as she balancing on the tips of her toes. "How does that feel?" she moans, as he locks his hands in her long blonde hair and rocks his hips into her lips. "Are you good with ball work too?" he jokes, lifting his cock toward the ceiling to watch her round her mouth around his meatballs and store them between her slender cheeks.

Now worked up, she takes a seat on his lap in reverse cowgirl position as Quasar moves in close to give us the initial insertion shot. Spread open wide, her pink kitty gobbles the head of his cock with expert precision, allowing the rest of his shaft to slide in and out of her wet walls with ease. "You're fucking incredible," he says, ferociously ramming her hole from underneath. Perfectly utilizing the very best this bitch has to offer by flipping her around the bathroom to fuck her cooze at will, Bill yanks his cock out of her hole and fires his creamy blasts across her tits. Now, it's safe to say that this dirty girl needs a shower!

Next, CeCe Stone is returning a package to Dane Cross's mother. Asking to wait inside for her to return, CeCe takes a seat on a gray loveseat and soon grows bored. Eventually reaching into the paper bag, she pulls out a thick vibrator and smiles. Looking around the corner to see if Dane is near, she pulls her skimpy shorts to the side and begins teasing her clitoris with the vibrating tip. Sighing as the toy makes its way up her vaginal canal, CeCe is now banging her hole wildly, freeing her natural tits from a lacey bra and pinching her sharp nipples.

"What in the hell do you think you're doing?" Dane demands, walking in on CeCe right before she's about to reach orgasm. Seeing the opportunity for hard college cock manifesting before her very eyes, she mouths, "Come over here and stick this in my pussy!" Slamming the vibrator in his hand, Dane gets rights to work, busying himself between her legs. Working his tongue over her labia as he continues penetrating her hole, CeCe spills her gash gravy across his mouth.

Now anxious to swap out the synthetic cock for the real thing, CeCe wraps her lips around his chubby cock and begins to suck. Pumping his crotch against her chin, Dane makes the most out her oral assault by filling her mouth to full capacity. "You're so fucking good at that," he compliments, folding her in half to tap her twat in standing doggie. Loving his aggressive manner, CeCe eventually pops her pussy in this position as her silver necklace bangs against her chest, releasing the climactic firestorm that's been fervently building inside of her.

It's a sweet release!

Meanwhile, Alexandra Silk, a palm reader, has just arrived for her afternoon appointment with Alan Stafford's mom. Knocking on the door, she's pleasantly surprised when Alan answers; quickly learning that Alan's mother has forgotten about their appointment and is out of town. "Well, please tell your mother that I'm going to have her bill her anyway for missing our appointment," she smiles. Completely enthralled by her sexy glasses and long brown hair, Alan sees an easy opportunity and boasts, "Well, if you have to bill her anyway, how about you come inside and read me instead?"

Thrilled about the situation she is stepping into, Alexandra is through the door before Alan has time to finish his sentence. Setting a couple of chairs up for them, Alan urges Alexandra to have a seat while she grabs his hand and begins to read it. Rolling her long fingernails against the lines of his hand, Alexandra decides to move things in her favor by saying, "Your penis line tells me you have a beautiful cock!" Surprised by her comment her enquires, "Well, are your readings ever wrong?" Lunging toward his cock, she sighs, "Never."

Squatting on the cool travertine floor with her floral dress beside her, Alexandra feels right at home with a cock in her mouth. Sucking like a champion by wrapping her experienced lips around his shaft like a stripper rounding a pole, Alan has no problems growing in her mouth. Strumming his balls like a harp, Alan begins to hum as spit pours from the corners of Alexandra's mouth. "My predictions are never wrong," she teases, pulling on her silvery clit ring as she continues sucking.

Now resting on her back across the white leather, Alexandra offers Alan the choice of penetrating any hole he'd like. Since he's already gone this far, he opts for continuing their psychic session up her sphincter. Pummeling her pucker with force, Alan rocks her rump to pop as she looks up and sighs, "Damn! Thank you!"

From here, Skylar Price, the math tutor Chris Johnson's mom has hired, walks in to tend to her new student. Looking picture perfect in a blue flannel, denim shorts, and tits poppin', this blonde bitch is ready for a co-ed cram session. After some math lessons go awry, Skylar remarks, "Chris, you're about as bright as a rusty trailer hitch, but you're damn cute!

Smiling at her comment, she advises that they move on to a different subject, human anatomy! "Is it hard," Chris questions, dreading more lessons. "It will be," she teases, pulling his cock from his pants and creating candy pink rings around his shaft with her glossy lips. With tongue and tongue kissing and plenty of roving hands, these two are on each other like white on rice.

Leading her up to the bedroom, Skylar mounts her young steed and begins milling her cunt into his lap in cowgirl position. Grabbing hold of her

hips and smacking the tramp stamp across her lower back, Chris works his mare up to a steady ride, causing her natural juices to flow. After a few more positions, including doggie and reverse cowgirl, Chris mucks his mayo, ultimately earning a passing grade from the tantalizing twat tutor.

Finally, in the end, slit legends Julia Ann and Taylor Wane corner Alex Gonz when a fake letter they've mailed sends his mother on a wild goose chase for discount clothing. "Ever since you moved in, we've been having horny fantasies about you," Julia Ann slithers, racing out of her denim dress and urging Taylor to do the same. Unable to resist their incredible charms, Alex leads these bitches to his mother's room, as clothes begin flying off in all directions.

Now on his bed, the girls deliver a double blowjob to remember as Alex works both blonde heads around his cock and balls. "Suck it up bitches," he remarks, watching their pretty mouths fill up with portions of his tube steak and meaty balls. Once large and in charge, Alex arranges the girls in the sixty-nine position, with Julia Ann sprawled out on the bottom. Working his way around both women, he plugs his pecker into each hole, urging the girls to lez out as he pummels both of their wet wantons. As each girl pops their slop, her rearranges their bodies yet again.

Setting on top of each other like flapjacks, Alex sticks his cock in Taylor for some doggie action before reinserting it into Julia Ann for more missionary madness. After everyone has been thoroughly satisfied and their melted butter runs, he yanks out and divvies his warm milk between the two kinky cougars. It's so damn hot!

Closing the show on a high note, it's safe to say that director Mike Quasar has a bona fide hit on his hands. Making the executive decision of including such celebrated starlets as Julia Ann and Taylor Wane on his roster, he not only guarantees a wild time for the viewers but offers fans of the MILF genre an opportunity to experience seasoned players at their very best. An excellent inclusion to any porno library, *Is Your Mother Home?* is definitely a knock on the door worth answering! ♣

DOUBLE SHOT OF CUM!

After I got laid off from my last job I had to make a big change. I knew that if I stayed in the small town scene, I was going to be stuck living with my parents again and that was something I definitely didn't want. I mean, I'm 25, I've got a hot pair of 36 tits and a tight little pussy. Surely a girl like me could make it somewhere! So, I grabbed a bus to New York City in the hopes of making it happen there. You know how that song goes, "If I can make it there," right?

Well, fast-forward two weeks and I get a gig as a waitress in an exclusive club near Fifth Avenue. I'm everyone's favorite girl and the tips I make in a day beat my paycheck for a month from back home. Everything is absolutely incredible. But the biggest change has been the caliber of men I meet every day. They are gorgeous. They are usually rich. And, they like to fuck. My three favorite things!

So, let me get to the point of the story. I was working the late night Saturday shift where there's a ton of money to be made. Some of the guys who are members have wives, some have girlfriends, some have both. I was talking to two of the guys who I knew I had both. They were smooth talkers for sure, and they were very attractive and flirty. By closing time I was hooked. I took them up on their invite to go back to one of their apartments (probably one of the many that they owned) and knew what was coming.

Of course, the joke in that last sentence would be "I knew what was cumming," but there was no joking with the size of the two dicks these guys were swinging! They were each about 10 inches long and about four inches around. They were fucking logs. Anyway, let's get to the good stuff.

I won't get into any cheap dialogue, because who gives a fuck, right? I stripped down to my panties, let my tits out and dropped to my knees. When they unzipped their massive schlongs, I couldn't fucking believe it! None of the redneck bumpkins I had ever blown had those kinds of cocks! Never! But, like a true city girl, I started sucking the two of them off like a pro. I went from dick to dick, massaging each set of balls meticulously, hoping that they would both cum in my mouth and spare my wet little

HONEY & NICK

Bears be damned, Nick loves his Honey. He can never seem to get enough. The feel, the smell, the taste of her…Nick is truly intoXXXicated. The feeling is definitely mutual. Every time Nick draws near, Honey gets nice and sticky in the sweet spot where it matters most – right between her legs. In fact, the couple doesn't make it out much, despite being invited places by friends all the time. They usually manage to get ready – Honey dolling herself up hot and Nick dressing himself dapper, but before they can make it out the door they always stop and drop for a roll in the hay and wind up staying in for the remainder of the evening. This has been even more of a trend ever since Honey discovered how much she likes anal sex. Reluctant at first, when she finally acquiesced to accepting Nick's cock up her ass, Honey has been a first-rate butt fuck fiend. In fact, she can cum from him humping her hind hole alone, the precious nectar of her girl good dribbling down from her dent to lube his shaft. Nick gets so turned on by her hacing an orgasm that seconds after Honey blasts off he's ready to blow. He pulls out to paste her face in penis butter, after which their cumdiments commingle in gooey globs on their skin.

holes. But that wish was not to be. These guys were practically professional fuckers, and when they'd had enough of my mouth, they bent me over and started fucking my tight cunt going a few pumps at a time and tagging off; five pumps for one cock, five for the other. And when they got bored of waiting, I had one in my mouth and the other deep inside my slit. And when they got bored of that, they swapped holes, until they decided to focus on my lower and invade my hot little asshole.

The feeling of having two massive cocks inside my pussy and as simultaneously was un-fucking-believable! I had never been so full of meat in my entire life. They both rammed me hard and fast. I was impressed that my tiny frame could take such a plowing, but there wasn't any time to pat myself on the back. Instead, I got a hot load shot right onto my asshole and crack and straight up my spine. I figured that cock was done, but like, a minute later, it was back up my ass, fucking me ever better.

I didn't know if these guys took that cock hardening pill or what, but it felt like two granite dildos stuffing my holes. I came a few times, harder than I'd ever cum before and I was hoping that they were almost finished. My thoughts were answered as I started to hear a low groan from one of the guys. He pumped harder with a few shallow thrusts, pulled out and shot his wad all over my dripping wet cunt lips. He stood up quick and directed my face to his cock. The next batch went directly into my awaiting mouth. It tasted so fucking good! Then, just I got done swallowing load number one, load number two took a quick return trip to my asshole then popped out and aimed for my gullet once again. I drank it down what felt like a gallon of jizz in one big gulp. And just like that, this waitress had her double shot of cum! ♣

"Double Stuffed"

POLL MY PUSSY!

I've been working for a local candidate for an election for the last few months. I can't say who or what for, only 'cause it would cause a big problem for everyone, but I have to tell you about all of the sex that I've been having!

See, I go around and poll residents about whether or not they like what going on around them and if they would vote for the candidate I'm working for. That's not the part that leads to sex, although I'm sure some of the husbands and fathers who open the doors and get an eyeful of my big tits and tight ass would love to drop their marbles in my vagina and vote me as their new pussy leader. Either way, the sex part comes with my partner, we'll call him James, who is super cute, super funny, and looking to run for office one day, provided he keeps his nose clean. The deal for candidate at any level is that you really can't let it out that all of your employees are fucking like crazy behind the scenes, but the truth is, they probably are. At least James and I are!

Here's how it goes: from noon to six we walk around polling the electorate. From seven to midnight, James poles me. The cool thing is that James is pretty freaky. He always like to mix things up. A couple weeks ago, he had me dress up like a nurse and suck his cock; then he fucked my pussy like it was the only thing that would cure him. A week ago, he brought another girl by and we went down on each other while he jerked off onto our faces. And then, just the other day, it was the dirtiest of them all!

James had me get on his bed completely naked. He turned the lights down real low and took my pair of panties off the floor. He told me to stick them in my pussy. I giggled and did it. My panties soaked up all of my girl goo and James asked me to hand them over. He sniffed them up and down and started to suck out the juice. James told me I had the best tasting cunt ever. That was a real compliment as far as I was concerned and instead of grossing me out it totally turned me on!

He told me to get on all fours and when I did, I felt him come up behind me and start to lick my pussy while he buried his nose in my asshole. As he licked me deeper and deeper, he somehow managed to get his nose a little further into my butt. I was going to tell him to fuck my pussy, but he had a few tricks up his sleeve. With one hand, he slipped three fingers into my slit and started to fingerbang me. With his other hand, he managed to get two fingers right up my a-hole and started to double bang me. I wanted to suck his cock and told him so, but he wouldn't let me. He said he needed to really get me going. As he fucked me with his fingers I became consumed with sucking him off. I hated to admit it, but James was right. The more I couldn't taste his dick, the more I wanted it!

When he finally let me suck it, I took to it like I've never blown a cock before. I made sure that I licked every inch of it and had it hit the back of my throat on every thrust. When he told me it was time to get fucked, I wanted to keep sucking, but it wasn't going to happen.

James took the head of his prick, popped it straight in my hungry cunthole and began fucking me like crazy. I was certain he was going to cum inside of me, but once again, James had me fooled. He fucked my slit faster and faster and just when I thought it was time for his load to be unleashed, he dropped down and licked my asshole. Before I could even say a word, James stuffed his entire length into my ass and drilled me like he was going for oil.

I had never had a cock fuck my asshole like that before! It was like one of those porno movies! He had me sit on his lap and he buttfucked me all the while grabbing my tits and stuffing his fingers up my cunt. I must have cum like, four or five times, and as much as I wanted to drink every drop of his semen, when James came inside of my asshole, it was the greatest thing ever! We were both completely spent and passed out on the bed, the cum slowly leaking out of my freshly fucked asshole. Of course, the next night we topped that one, but that, my dear voters, is for another time! ♣ ***"Vote For My Vag!" - Columbia, SC***

Sophie & Angel

29806

Angel is an oversexed beauty who loves having her pussy hole stretched because she thinks it feels just heavenly. Her partner in perversion, Sophie, gets turned on by making Angel cum, a serendipitous situation that is beneficial to them both. In fact, these two cuties have been going at if for so long that Sophie has turned snatch-spreading into a science. She starts off with a heavy-hitting vibe, cranked to high, and mashes it up tight against Angel's mound. She then gauges Angel's movements – measures the rhythmic bucking of her hips, pays attention the pitch and tone of her moans and makes careful note of the clenching and unclenching of her fists. When Sophie is sure Angel has sustained several orgasms, she puts the vibe aside and hunkers down for some fun. First she slides ones finger in and wiggles it around, luxuriating in the fell of Angel's damp, velvety insides. The she slides in a second digit, nice and easy. She flutters them back and forth and watches Angel smile. In goes a third finger and by now girl juice is dribbling onto Sophie's palm. The fourth and final finger finds it way inside and Angel is all set to cum yet again. Sophie pulses her hand until Angel finds nirvana, then withdraws it so she can gaze at her gape. Good work, girls! ♣

HEATHER *Employed by a local tour company, 23-year-old Heather loves what she does. "I get to meet people from all over the country and sometimes from other countries. Sometimes I get asked if I offer private guided tours, and I always laugh and say no. Almost always. I have, once or twice, taken an especially cute male visitor for a one-on-one tour of my apartment." Really? "Really. The sex is so much hotter when you know there's no strings attached. They last guy I fucked was from Texas and we email each other all the time. He may come back here on business soon. I hope so. He was a pretty good lay." So no boyfriend? "Not right now. I don't want to settle down yet. I had a serious boyfriend all through college and now I'm ready for some fun experiences. I want to fuck somebody from Alaska!"*

ASHLEY *Sweet-faced Ashley, 20, chose work over college. "Right now I'm working as a barista at a coffee shop and I like it a lot. I've been working at the same place for three years now, I started back when I was in high school. Don't tell anyone, but I'm totally fucking my manager. He's married but his wife is a total bitch." Wow, she sure doesn't seem like your typical homewrecker. "I know, right? Well it just sort of happened, we were always closing together and one thing led to another. I think I'm in love with him— the sex is so awesome! He's older and he really knows what he's doing and he has a great cock. One thing that I love is he makes sure I have an orgasm every single time we do it, even when it's just a quickie in the break room."*

VERONICA *By day, Veronica is a waitress at a busy restaurant. But by night this 22-year-old temptress focuses on having others serve her. "I love being eaten out. LOVE IT. Men, women, I don't care! Actually, I think that women do it a bit better but the downside is that they can't fuck me stupid afterwards. I don't do strap ons. Only real meat for me, please!" What is her dirtiest fantasy? "I'm dying to be involved in a fourgy. Two hot chicks, one cut dude and me. God, that would be so hot. I want the guy to do me in doggy while one of the girls lies beneath me and licks my nub. The other chick and I would just kiss…girls are the best kissers. My panties are getting wet just thinking about it."*

MY SEX LIFE!

NOT A VIRGIN ANYMORE!

Don't laugh, but I was a 22-year-old virgin. My friends would make fun of me for being such a prude, and after meeting Jeff, I thought it was stupid, too. I met him at a party on the second to last week of school. I was just about to graduate and I figured I had to get ready for the real world. Jeff was feeding me a few drinks here and there all night and when we talked, we really hit it off. Before I knew it, we were back at his place making out.

I told him I was a virgin, and instead of making fun of me or being disappointed like other guys, he told me he would help me.

He licked my pussy and stuck a finger in there, too. I was really wet and when he pulled out his penis, I was surprised at the size of it! Now, I have given a blowjob before, so I knew that I had to get his dick all lubed up with my saliva to help it get into my pussy easier, so I did. Jeff cheered me on the whole time.

I spent a few minutes sucking and then it was time for fucking! Jeff entered me and really slammed away. I didn't even feel my cherry pop and Jeff kept my mind at ease, encouraging me the whole time. When it was time for him to cum, he told me he wanted to wait until I came, too! What a sweetheart! The second I came, Jeff was grunting and groaning and then all of a sudden, he blew his load all over my tits and tummy! I was officially relieved of my virginity and I couldn't have been happier! So now my pussy was ready for the real world!

Victoria Fucks Ridge

GET US ON YOUR CELLPHONE AT
CLUBXCELL.COM

New roomies Victoria and Ridge have a somewhat unique arrangement. While they split all the bills and divvy up all the chores as is standard for those sharing a living space, one biggie on their collective TO DO list is each other. While it may be unorthodox it is a rather savvy set up. At the moment, neither of them are otherwise attached but both suffer from extreme hornyness. Rather than fight their feelings they figure why not team up to tackle 'em? So Ridge indulges all of Victoria's hard-fucking urges and she repays him by sucking him senseless just as soon as she gets off. The seamy situation seems to be working wonderfully. Every time Ridge comes home from work the two of them get right down to business after exchanging a few "how was your day"-type pleasantries. Their one rut rule is to stay out of each other's bedroom in order to keep them pristine for any future significant others. But that leaves plenty of other places to plow and Victoria has no objection to being nailed right on the floor. After being balled from behind, Victoria rides Ridge 'till she reaches O. Then she wraps her lips 'round his flesh cigar and puffs 'till he pops. Even though it's not in the agreement, Victoria always swallows. His jizz tastes good and anyways he's always stealing her milk. ♣
